[DATE TBD]	MOVEMENT MATTERS SHOWCASE**

Dates are subject to change. Any updates will be communicated to families.

**Additional Class Weeks/Days are reserved for classes cancelled by the teacher due to illness or unforeseen circumstances. This does not apply to public holidays, weather-related closures, natural disasters, government-mandated closures or similar circumstances.*

***While we would love to give our students the experience of a full-scale production, we do not anticipate mounting a traditional recital this season.*

Our focus this year is on building a strong foundation for Movement Matters and creating a space where students can learn, grow in confidence, form meaningful connections, express themselves, and dream big through dance.

*With that in mind, we will not be charging costume fees this season. We do, however, intend to end the year with a special **Movement Matters Student Showcase** — an opportunity for our dancers to share what they have learned and for their families and support systems to celebrate the progress they have made throughout the season. We look forward to making this a meaningful and memorable experience for our community.*
